I have participated in many sports (Basketball, Cheerleading, Gymnastics), but softball is my passion. I have played softball since the age of 4 and at a National level (ASA/PGF) from 10U. In 2016 I achieved one of my main goals by winning the ASA National Championship. I currently play for one of the top programs in the nation and I am lucky in the fact I get to work with some of the best coaches in the sport and have parents who support me 100%. Playing at a national level means I get to compete against the best teams in the country. I feel today’s players will take the game to a whole new level tomorrow and I am proud to be a part of that evolution.
